All areas not currently shown within the Primary or Secondary Watershed Protection Areas are subject to future designation and controls. Please contact the Environmental Programs Manager for a determination.

NOTE:

The hydrology and buffers depicted were generated from the best digital sources available and are presented for guidance only. Please refer to Article 6, Section 6.1, of the Town's UDO for detailed information on specific buffer requirements. The Town of Apex shall not be held liable for any errors concerning content or positional accuracy of this mapped data. The user of this product must consult with the Environmental Programs Manager on matters pertaining to any specific lot, parcel, or real property.
