Program Guide

HOW TO REGISTER FOR PROGRAMS:

Pre-registration is required for most programs offered by Apex Parks, Recreation and Cultural Resources. The first two weeks of each registration period is limited to Apex residents only. A resident is defined as an individual who resides within the established corporate limits of the Town as defined by the Apex Planning & Community Development Department. Waiting lists are available for most programs, with Apex residents receiving priority. See individual pages of the Program Guide for program registration dates. You may register online at [PEAKconnect](#), in person, or by mail (make checks payable to: Town of Apex). For Athletic Program registration dates see individual program descriptions. To avoid long lines and discourage overnight assembly, the first day of registration for both residents and non-residents will be administered by a lottery system promptly at 8:45am at the Community Center. Those in line will be given the opportunity to randomly draw a number and line up according to their number. Anyone arriving after 8:45am will go to the back of the line. Registration will begin promptly at 9am based on this system. This is for instructional programs, camps and individual youth athletic registration only and does not apply to adult team registration deadlines. One person may register only one family at a time.

REFUND POLICY:

Full Refunds. Registration fees are 100% refundable when programs and events are canceled or adjusted by the Apex Parks, Recreation, and Cultural Resources Department. 2. **Withdrawal less than 10 Calendar days in advance.** A participant requesting a refund in writing, less than 10 calendar days prior to the scheduled start date of the program or tryouts for an athletic league, will receive a **75%** refund of the fees if the participant can be replaced from the waiting list. If there is no waiting list for the program or athletic league **no refund will be issued.**
3. **Withdrawal after First meeting of a program/First regular season game.** A participant requesting to withdraw on the day of or after the first meeting of any program, or the first regular season game of the affected league, **will not be issued a refund.**

"A hilarious family comedy that is even funnier than his long-running musical revue *I Love You, You're Perfect, Now Change*. —BackStage.

"Loaded with laughs every step of the way." —Star-Ledger.

Nick is a single, Italian-American guy from New Jersey. His parents retired and moved to Florida. That doesn't mean his family isn't still in Jersey. In fact, he sees both sets of his grandparents every Sunday for dinner. This is routine until he has to tell them that he's been offered a dream job. The job he's been waiting for—marketing executive—would take him away from his beloved, but annoying, grandparents. He tells them. The news doesn't sit so well. Thus begins a series of schemes to keep Nick around. How could he betray his family's love to move to Seattle, for a job, wonder his grandparents? Well, Frank, Aida, Nunzio and Emma do their level best, and that includes bringing to dinner the lovely—and single—Caitlin O'Hare as bait...we won't give the ending away here..... A 1998 Off-Broadway hit comedy written by Teaneck, NJ-born playwright and lyricist Joe DiPietro *Over the River and Through the Woods* played at the John Houseman Theatre for 800 performances over two years.

APEX ELEMENTARY SCHOOL PARK TENNIS COURTS REMODELED

With the help a \$19,000 grant from the State and National chapters of USTA, the public tennis courts at Apex Elementary School Park were recently reconstructed. Park updates included surfacing, new fencing, and lighting. The courts are available for public use when school is not in session and during hours when the park is open for public use.

COMMUNITY SERVICE VOLUNTEERS

Local volunteers make Apex such a special place to live, work, and play. On Sep 16th, Jr. and Sr. High students from Thales Academy worked with Parks Maintenance staff to replenish the mulch in common areas at the Apex Nature Park and Apex Community Park. On September 25th, 40+ Volunteers from Apex United Methodist Church came together at Kelly Road Park and, along with Park Maintenance staff, replenished mulch at the ever-popular Kidstowne Playground. Town Park's staff appreciates the time that these organizations provided in making our parks better.

WHITE OAK CREEK GREENWAY

The Towns of Apex and Cary recently entered into an agreement that will eventually extend Cary's White Oak Creek Greenway through Apex and out to the American Tobacco Trail. Connecting north to Mills Park and east to Bond Park, the White Oak Creek Greenway is a part of the East Coast Greenway running from Maine to Florida. The construction is being funded by State, Federal, and Local Grants, in addition to development fees. RECENTLY COMPLETED PARK ADDITIONS & IMPROVEMENTS

Several park improvement projects have recently been completed throughout town. A permanent restroom facility has been added adjacent to the Lake Pine entrance to Apex Community Park.

Located beside Salem Middle & Elementary Schools, Phase I of improvements to Salem Pond Park are almost complete. These improvements include grading, additional parking spaces,

irrigation, sod, and fencing for a new multi-purpose athletic field to be completed in September. Trail reconstruction and repair, as well as educational signage, installed as part of an Eagle Scout project, will take place in October.

As part of routine maintenance, the Seymour Athletic Fields at the Apex Nature Park received new sod this summer. Field 1 is currently in use for fall athletics and Field 2 will reopen soon.
