WAKE COUNTY

APEX INCORPORATED TOWN LIMITS

Wake County ZIP code boundaries are compiled from Wake County GIS, which uses the best available sources and are used for reference purposes only. Chatham County ZIP code boundaries are derived from ZIP Code Tabulation Areas (ZCTAs) developed from 2010 Census data by the United States Census Bureau. The ZCTAs have been modified to account for confirmed ZIP codes in use based on Chatham County GIS addressing data. ZIP codes do not exist with actual boundary lines but are represented by points of delivery (i.e. homes and businesses). Mapped boundaries are based on United States Postal Service (USPS) delivery routes and are assigned default place names. Addresses are not necessarily located within the incorporated place name associated with the ZIP code. USPS ZIP codes are subject to modification at the USPS's discretion.
