Service Address: \_\_\_\_\_

The applicant understands that the Town must take actions and expend funds to comply with this request for service. By signing this application, the applicant signifies that he has the authority to request electric service, both permanent and temporary, to the premises identified in this application. By signing this application, the applicant request permanent electric service, to be preceded by temporary service if needed, for the location identified. Upon acceptance of this application, a valid contract is formed by the Town and the applicant. Utility Service will be subject to any and all rates, rules, regulations, policies, procedures, terms and conditions applicable to the service, and as revised by the Town with the authority given by the North Carolina General Statute 160A, Article 16.
