Underground Service For Underground service, the monthly bill will be increased by \$3.50 per pole or, in lieu thereof, a one-time contribution of \$175.17 per pole. The monthly UG charge, if selected, may be terminated at any time upon payment by Customer of the one-time contribution. The UG charge will be waived if the lighting facilities are installed during the installation of the main electric facilities. The monthly pole charge defined below will also be applicable to underground service.

Additional Facilities

- Multiple area lighting fixtures may be installed per pole subject to town review and approval. The monthly charge for each additional fixture will be the charge in accordance with the Monthly Rate for that fixture.
- For distribution transformer and/or primary conductor extension, 2% of the estimated installed cost of the excess circuit.
- For an underground circuit in excess of 250 feet for an area lighting pole, 2% of the estimated installed cost of the excess circuit.
- For a metal pole, 2% of the estimated cost of overhead or underground metal poles requiring special construction or features, which are in excess of the estimated, installed cost of standard underground metal poles.
