| Existing Bike Lanes | Parks/Open Space | |
| Proposed Bike Lanes | Town of Apex Extraterritorial Jurisdiction (ETJ) | |
| Proposed Paved Shoulders | | |
| Proposed Bicycle Shared Lane Markings, "Bicycle May Use Full Lane" Signage & Speed Limit Reduction | | |
| Private Greenway | | |

*The Bicycle, Pedestrian, and Equestrian Plan Map shows existing and proposed sidewalks only on collectors and thoroughfares. While not shown, sidewalks are required to be built with new residential streets. Completion of sidewalk gaps on existing residential streets are prioritized in the areas described in Chapter 6 of Advance Apex: The 2045 Transportation Plan and include the Town Center and Transit-Oriented Development context areas as well as around schools.
