Committee Chair, Tom Colwell called the meeting to order and called attendance. He then asked for approval for the Minutes of the March 22, 2021. A motion was made to approve the minutes by Sean and seconded by Bethany. Motion approved.

Renee's Report: She reported that the sculpture show is successfully up for viewing. A big THANK YOU to the Park Operations Department for helping out with the mechanics of that. And also a big THANKS to all the departments along the way for their help including Communications, Legal, Risk Management, Planning, and the Halle Cultural Arts Center along with this committee. We had a few hiccups towards the end and all the departments worked with us to make sure we had the show up and running on April 16. It was definitely a Town of Apex effort!

Tom's Report: Tom echoed Renee's sentiment about the different Town departments working with us and especially stepping in at the last moment.

Public Comment: Emily Woody sent us pictures of Murals with a selfie idea and Pam Stanton was very interested in working with Sean on Greenway Art Manholes. Discussion ensued concerning answering the emails. So far it has been 100%

Old Business

Sculpture Show:

Tom suggested that we all download the Otocast app to hear the artists as they talk about their pieces. Our Juror will be out next week to judge the artwork for

Best in Show. We will have some kind of mini event during Peak Fest, Sept. 11, 2021. Ewan asked about posters with Q-R codes, there is one at the Halle. They are on all flyers.

David added that an appraiser is appraising the sculptures this week for Town insurance purposes.

Asphalt Art Project Grant: Transportation is working on this grant and our committee has and will provide the necessary information that the planning team requests in order to pull the application together.

APAC Logos: Sean said the Communication Department liked one of the logos with some tweaks.

Banners at the Parklet: Bethany reported that she has given 3-10ft. and 2-15ft. banners to the Downtown Coordinator, Colleen Merays to install. The town is to install the banners and lighting (lighting purchased by the ADBA).

New Business
