

Rider Information

Basic rider information can be found below. Full information on service policies, rules, forms, and news can be found at www.apexnc.org/GoApex.

How To Ride The Bus

Use your schedule and map to find out where to catch the bus. If you aren't sure where to get on, you can call the Regional Transit Information Center at (919) 485-RIDE (7433). You can also use third party apps such as Google Maps or the GoCary app to find nearby stops.

Be ready at the stop at least 5 minutes before the scheduled arrival time. Make sure the bus comes to a full stop before you board.

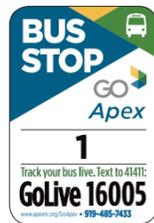

While onboard, please leave front seats available for elderly or disabled passengers. Use hand rails while walking, and remain seated while the bus is in motion.

While you are on the bus, you must obey the Passenger Rules of Conduct. They are posted on all buses, as well as at www.apexnc.org/GoApex. Eating or drinking (except for water in a clear container with a screw-top lid), smoking or vaping, and playing music without a headset are prohibited. Passengers under the age of 12 must be accompanied by someone age 16 or older.

Customers may bring bags or packages onboard but must be able to transport all belongings without assistance. Belongings must be secured on the customer's lap, or under their seat. Belongings cannot block the aisle.

When you are ready to get off the bus, you must signal the bus driver to stop by pulling the cord above the seat. Please give adequate notice before the driver needs to stop, as they may not stop unless there is a request.
